Car boot sales

Car boot sales are very interesting places to go shopping. There are all ¹sorts of things for sale. People pay between £5 and £10 to sell things at the car boot sale. They then open up their car boot to ²show all the things they are selling. People often have a lot of things to sell, so they use a table next to the car to put things on.

People decide what price all their things are. Usually customers try to ³bargain and offer a bit less than the price. They are usually successful! Here's a list of some things you can buy at car boot sales: clothes, pictures, gardening equipment, baby clothes, toys, plates, records, CDs, books and even furniture!

Some people go to buy things at a car boot sale every week. They only spend about £2 or £3 but get some good bargains. It is a good way for people to sell things they do not use. It can be very ⁴sociable as well, and even better if the weather is good!

Any person that wants to learn a language can come to Topper. Its prices are very cheap. In the last 10 years, Topper has not changed its prices. It also offers discounts and lends money to poor students at no interest. So everyone can study.

Topper has the highest pass rates in the country. Over 95% of students pass the final exams. It is the only school in the country that gives its students the chance to study in England.
