1. Philosophy and Objectives

At Shirakatsy Lyceum, we are committed to fostering a culture of respectful and transparent communication with all stakeholders. Our aim is to build strong partnerships with parents, guardians, and students by providing a clear and supportive process for addressing concerns. All staff members uphold open dialogue, driven by a shared desire to continuously improve the quality of education and the school environment.

This policy outlines how to raise and resolve complaints related to academic honesty, instructional resources, teaching methods, discipline, school logistics or decisions connected to the Lyceum, the International Baccalaureate Programmes (PYP, MYP, DP, AP (High School Authorial Programme)), and other institutional policies.

2. Definitions

To ensure shared understanding and consistent application of the policy, the following terms are defined:

- 2.1. **Complaint** – An expression of dissatisfaction regarding a decision, action, behavior, or process that affects a member of the school community. A complaint may relate to academic, behavioral, procedural, or interpersonal matters and can be submitted either informally or formally.
- 2.2. **Informal complaint** -a concern, question, or misunderstanding that arises in everyday interactions—such as a miscommunication, classroom issue, or scheduling conflict—which is typically resolved through respectful dialogue without the need for written documentation or escalation.
- 2.3. **Formal complaint** – a written and structured expression of dissatisfaction about a matter that could not be resolved informally. Formal complaints follow a designated multi-level procedure and may require meetings, investigation, and written decisions or appeals.
- 2.4. **Safeguarding-Related Complaints** -a complaint involving the safety, well-being, or protection of a student, including issues such as bullying, harassment, abuse, neglect, or discrimination. These concerns must be reported directly to the Child Protection Officer

- (CPO) and follow a separate, urgent protocol based on the school's Child Protection Policy and applicable legal requirements.
- 2.5. **Concern** – An informal expression of worry or dissatisfaction that may or may not escalate into a formal complaint if not resolved.
 - 2.6. **Appeal** – A request for a review of a formal decision made in response to a complaint, typically addressed at Level 3.
 - 2.7. **Complainant** – A person (student, parent, or staff member) who raises a concern or files a formal complaint.
 - 2.8. **Resolution** – The agreed outcome or action taken to address the issue raised in the complaint.
 - 2.9. **School Psychologist** - A qualified specialist who supports students' emotional and psychological well-being. The psychologist offers a confidential space for concerns and may help resolve complaints informally or refer them to appropriate staff when needed.
 - 2.10. **Homeroom Teacher (PYP)** –A designated staff member who supports informal resolution of concerns for students and parents in the Primary Years Programme and serves as the initial point of contact for Level 1 complaints in the PYP section.
 - 2.11. **Group Counselor (MYP)** – A designated staff member responsible for student well-being in the Middle Years Programme. The counselor supports students and parents in resolving concerns at Level 1.
 - 2.12. **Student Leader (DP/AP)**– A designated staff member responsible for student well-being in the Diploma Programme (DP) or Authorial Programme (AP). The Student Leader supports students and parents in resolving concerns at Level 1.
 - 2.13. **Programme Coordinator** – A school leader responsible for overseeing the implementation and compliance of a specific educational programme (e.g., PYP, MYP, DP, AP), and for resolving complaints related to that programme's requirements and academic processes.
 - 2.14. **Child Protection Officer (CPO)** – A designated staff member responsible for application of the Child Protection Policy and children safeguarding, namely School Principals.

- 2.15. **School Principal** – The educational leader responsible for academic operations and resolving formal complaints at Level 2.
- 2.16. **Director General (Head of School)**. – The senior executive of Shirakatsy Lyceum, responsible for final appeals (Level 3) and ensuring compliance with school policy.

3. Student Voice and Participation

Shirakatsy Lyceum recognizes students as active stakeholders in the school community and upholds their right to express concerns, ask questions, and seek support when facing challenges related to their learning environment.

- 3.1. All students have the right to submit concerns or complaints independently, without the need for parental or staff mediation, unless they choose otherwise.
- 3.2. Complaint procedures are designed to be developmentally appropriate, ensuring that students across all programmes (PYP, MYP, DP, AP) can access support in ways suitable to their age and maturity.
- 3.3. Students in the PYP may seek guidance through a Homeroom Teacher; MYP students may approach a Group Counselor; while DP and AP students are encouraged to speak directly with a Student Leader or trusted faculty member.
- 3.4. The school commits to treating all student-submitted concerns with seriousness, respect, and confidentiality, fostering a safe and inclusive environment where students feel heard.

4. Submission Methods and Accessibility

Shirakatsy Lyceum provides multiple accessible channels for submitting complaints to ensure fairness, inclusion, and convenience for all members of the school community.

- 4.1. Complaints may be submitted in written form, either by:
 - 4.1.1. Email to the relevant staff member or programme coordinator
 - 4.1.2. Printed submission using the formal complaint template (Appendix B)

- 4.1.3. An anonymous complaint box (physical or digital) available for individuals who prefer to share concerns confidentially without disclosing identity.
- 4.1.4. Where necessary, students and families may request verbal submission, supported by a staff member who records the concern in writing on their behalf.

These varied pathways ensure that language barriers, technological limitations, or concerns over confidentiality do not prevent stakeholders from raising their voices.

5. Informal vs. Formal Complaints

Shirakatsy Lyceum encourages open and respectful dialogue as the foundation of its school culture. Not all concerns require formal action; in many cases, issues can be resolved effectively through informal conversations.

5.1. Informal Complaints

- 5.1.1. An **informal complaint** is a concern or misunderstanding that may arise in daily interactions—such as a perceived miscommunication, a classroom incident, or a logistical issue—and can typically be resolved quickly through direct discussion with the appropriate staff member. These are handled **without the need for written documentation**. However, the informal complaints are included in the Level 1 Contact Person written reports.
- 5.1.2. Most informal issues are resolved at the **point of origin**, such as with a Psychologist, Homeroom Teacher (PYP), Counselor (MYP), or Student Leader (DP/AP).

5.2. Formal Complaints

A **formal complaint** is a written statement of dissatisfaction regarding an issue that:

- 5.2.1. Remains **unresolved after informal attempts**,
- 5.2.2. Involves more serious allegations (e.g., academic integrity, discrimination, or discipline), or
- 5.2.3. Requires documentation, intervention by leadership, or investigation.

- 5.2.4. Formal complaints must follow the structured three-level procedure outlined in this policy and may lead to written decisions, meetings, or appeals.

6. Complaints Procedures

6.1. Level 1: Resolution with Homeroom Teacher/Group Counselor or Student Leader

- 6.1.1. The parent/guardian/student (hereafter 'the complainant') must initially contact the relevant Senior Teacher/Group Counselor or Student Leader via email or telephone.
- 6.1.2. The concern should be clearly described, including:

 - The impact of the issue,
 - Suggested resolutions.

- 6.1.4. The school psychologist may serve as a **first point of contact** for students or families experiencing emotional or interpersonal concerns. The psychologist provides a **confidential and supportive environment**, helps clarify the issue, and may guide informal resolution or refer the matter to relevant staff if necessary.
- 6.1.5. If unresolved, a formal meeting is arranged as soon as possible to explore solutions collaboratively.

6.2. Level 2: Formal Complaint to the School Principal

- 6.2.1. If unresolved at Level 1, the complainant escalates the matter to the School Principal and/or Programme Coordinator by submitting a written complaint via email within 5 working days.
- 6.2.2. The complaint must include a brief summary of the issue and actions taken at Level 1
- 6.2.3. The School Principal and/or Programme Coordinator organizes a phone call or meeting to explore the issue collaboratively.

- 6.2.5. In complex or sensitive cases, Shirakatsy Lyceum may appoint a **neutral staff member or mediator** to support dialogue and facilitate resolution between the parties involved. This ensures fairness, reduces conflict, and encourages a constructive outcome.

6.3. Level 3: Appeal to Director General (Head of School).

- 6.3.1. If the complainant remains dissatisfied with the Level 2 resolution, they may file a written appeal to the Head of School/General Director or their appointed delegate.
- 6.3.2. Within 5 working days of receiving the appeal, the Head of School (or delegate) investigates the complaint by any means deemed necessary including relevant staff meeting, meeting or phone call with the complainant etc.

6.4. Right to Direct Appeal to the Director General

In accordance with the school-parent contract, **parents or legal guardians hold both the right and responsibility** to escalate serious or unresolved concerns directly to the **Director General (Head of School)**. This may occur if earlier resolution stages have not addressed the issue adequately, or if the concern requires immediate attention of the Director General.
