Task 7.

A) 4 Now she is a student at a college.

2 When she was at school, she was always the first in her class.

1 My sister is very clever and she loves learning.

5 I am sure she will be the best because she works well.

3 She was good at everything, but Science and Maths were her best subjects.

6 I wish I were like my sister, but I'm just the opposite.

B) 6 ... eleven ! There are eleven candles on the candles! It's a chocolate cake. I love chocolate!

7 Yes, chocolate is great! Blow out the candles, Kirsty!

5 Come here, children! Let's eat the cake! Happy birthday, Kirsty. Look at the candles. One, two, three...

2 Oh, the blue present! Can I open it?

3 Yes, you can open it. It's from your class.

4 Thank you! I think it's great! Oh, there's mum with the cake.

1 What about the blue present on the sofa? Don't forget it!
